## HARRY WINSTON AVENUE TRAFFIC

Inspired by the energy and architecture of New York City, Harry Winston introduces a dynamic new timepiece for women -- Harry Winston Avenue Traffic. Redefined with elegant lines and geometric shapes, the timepiece reflects a modern interpretation of the iconic Harry Winston Avenue Collection.

Recalling the structure and angles of the cityscape, the case features delicate, yet defined asymmetrical lines. Set with 58 dazzling diamonds in graduated sizes, the slightly tapered shape captures the illusion of gazing down Fifth Avenue at night -- the sparkle of streetlights lining the sidewalks.

A beautiful mother of pearl dial with brilliant diamond center recalls the twinkling light of the city skyscrapers, while a chic satin strap enhances the sophisticated, feminine feel.
