

## ck cogent

**Innovative. Iconic. ck cogent.** Designed for the confident man or woman. This modern and architectural timepiece features four visible screws that hold up the crystal, similar to the pillars of a building. The watch is offered with a polished stainless steel case with either a black or silver dial, and is finished with a black leather strap with a deployment buckle. ck cogent is crowned with luminous hour and minute hands and a discrete ck Calvin Klein logo at 12 o'clock.

Water resistant up to 3bar.
