

MANUFACTURA 1528 MASTERPIECE

18CT SOLID WHITE GOLD

**"DRAW ME A HAPPY CHILD" COLLECTION BY THE CHILDREN OF THE WORLD
FOR ONLY WATCH 2013, A UNIQUE PIECE "FROM SWITZERLAND"**

As its name indicates, this unique piece draws its inspiration from the interpretation of the theme "Draw me a happy child" by a 5-year old schoolchild in Switzerland, in the Le Locle district.

In support of the Monaco Association Against Myopathy, Julien Coudray 1518 will approach children from other countries in the same way, to create other unique pieces on the same theme.

Mechanical movement made from solid 18ct Pd125 white gold, manual winding, hand-engraved and hand-decorated, enameled 18ct gold service indicator, power reserve of more than 55 hours, 34 jewels.

A movement hand-engraved and enamelled according to a drawing chosen from a drawing competition at a nursery school in Le Locle, Switzerland.

Case made from solid 18ct Pd125 white gold 39mm/9.85mm, sapphire crystal and case-back with anti-reflection coating, solid 18ct Pd125 white gold collar.

Functions: hour, minutes, centre seconds, 4-year service indicator at 12 o'clock.

13-part dial made from enamelled solid 18ct Pd125 white gold, traditional « grand feu » black and white enamelled domed cartouches.

Dial centre made from hand-engraved (guilloché) 18ct solid white gold and transparent blue enamel.

Blued hands.

Hand-stitched black alligator strap lined with alligator.

Solid 18ct Pd125 white gold buckle with engraved pictogram.

95 % of the watch is made from one kilogram of solid 18ct Pd125 white gold: movement, dial, case, crown and buckle.

No chemical treatment neither lac.

Manufactured in Le Locle, Switzerland.

Unique masterpiece manufactured in support of Luc Pettavino and the Monaco Association Against Myopathy for Only Watch 2013.
