DIETRICH - Night

Simply called NIGHT, this contemporary small seconds watch is designed to be the perfect companion to a tuxedo at a gala dinner. The watch comes in five different variations with black or night blue dials, solid gold hour markers and matching alligator leather straps.

Simply called NIGHT, this contemporary small seconds watch is designed to be the perfect companion to a tuxedo at a gala dinner. The watch comes in five different variations with black or night blue dials, solid gold hour markers and matching alligator leather straps.

Elegant and discrete, the hours and minutes hands are in a varnished tone-on-tone color displayed on a matt dial background. The small seconds dial comes in steel or tone-on-tone color. The stainless steel case features a transparent case back that reveals a 16½ lines manually wound engraved UNITAS caliber.

The watch comes with a black travel pouch.
