Carpe Diem Accessories

The Bienne-based watchmaker offers a range of provocative and evocative objects comprising pendants, belt buckles and a Michaeli ring.

And for all those to whom Carpe Diem means breaking free of time, Daniel Strom interprets his philosophy through a range of trendy, mystical accessories. The Bienne-based watchmaker offers a range of provocative and evocative objects comprising pendants, belt buckles and a Michaeli ring. Stylish accessories indeed, but above all reflecting the spirit of the Agonium collection: life, death and "Memento Mori. Carpe Diem". Because timepieces do not have a monopoly on symbolism!
