BASELWORLD : 1.1, E17

Since 1983 CHARRIOL has been a pioneer in blending Art and Civilization in its designs to create the most unique contemporary pieces of watches and jewelry using its very distinctive CABLE CONCEPT. Today, you will find a trace of its legacy in its watch collections, enhanced by a broad range of jewelry, men's accessories and leather goods. The 2017 Charriol collections combine passion, iconic inspiration with a modern twist of classicism and sophistication. They comprise the latest and colorful edition of the iconic "Jewelry-Watch" ST-TROPEZ™, the Forever watch, the Alex C™, the Gran Celtica™ SuperSportS chrono and the Colvmbvs™ models - Tourbillon, Grande Reserve or Grande Date GMT. Several on-trend jewelry extensions complete the highly popular stackable bracelet range "Banglemania" and the colourful and trendy "Forever Colors" line. CHARRIOL invites customers looking for constantly renewed personalization to experience "l'Art de Vivre la Différence", its historical motto.
